Hi Kathy. I tried your desk earlier today and left you a voicemail. Are you available on Monday (1/28) sometime in the afternoon for a quick phone call? I'm hoping to just touch base with you on where things are at and talk a little bit about what we Chevron (and the Working Group) would like to discuss with you in our forthcoming meeting which I hear is tentatively scheduled for Feb 4.

If there is an optimal time, please let me know and I can call you. Thanks!

Eugene Pak
